

Health Care Connect

Information for patients and families

Need a family doctor or nurse practitioner?

Your new family health care provider might be just a phone call away. Our team of Care Coordinators identifies doctors and nurse practitioners in your community who are accepting patients and links them with people who are looking for a health care provider.

To begin, all you have to do is register at 1-800-445-1822 or at www.ontario.ca/healthcareconnect

You will be asked to answer a few basic questions about your health care needs. You will then be connected to a doctor or nurse practitioner at the earliest opportunity.
