Executive Summary

This document provides specific information on the defect resolutions included in the CHRIS 2.6.2 / HPG 3.4.1 release, scheduled to be deployed on the evening of Wednesday November 4th, 2015.

These changes are in response to critical issues reported by CCACs and external partners, following the release of CHRIS 2.6.0 – HPG 3.4.0 on Oct 14, 2015.

Defect Resolutions - HPG

Affects	Equipment and Supply Vendors
Description	<i>E&S Vendor Purchase Order Format</i> In R2.6.2, all Equipment & Supplies purchase orders and purchase order updates will available in PXML or PDF format only. The E&S flat file format for purchase orders has been decommissioned.
SMA #	
Affects	Service Providers
Description	<i>CSR Upload Documents Error – CSR Documents Screen</i> Since R2.6.0, when doing a Document Search on the CSR Documents screen in HPG users were getting an error message and were unable to view their search results. Resolution This defect has been fixed.
SMA #	752274 - HNHB
Affects	Service Providers
Description	<i>CSR Upload Documents Error – Client View->CSR Upload Documents Screen</i> Since R2.6.0, when doing a Document Search on the CSR Uploads Documents screen in HPG users were getting an error message when no search criteria was entered and were unable to view their search results. Resolution This defect has been fixed.
SMA #	755049 – Central East
Affects	LTCH
Description	<i>HPG Long Term Placement Waitlist does not match the CHRIS Long Term Placement Waitlist</i> Since R2.6.0, the Long Term Placement wait list report in HPG->Referral Management and the Long Term Placement wait list in CHRIS list clients in different sequence. There was a bug in how a Crisis Ranking Score of 0 was interpreted in HPG causing the clients position on the wait list to be different in CHRIS and HPG. Resolution This defect has been fixed.
