Independent Auditor's Report

To the Board of Directors of the
Erie St. Clair Local Health Integration Network
O/A Home and Community Care Support Services Erie St. Clair

Audit Opinion

We have audited the accompanying financial statements of Erie St. Clair Local Health Integration Network O/A Home and Community Care Support Services Erie St. Clair (the "LHIN"), which comprise the statement of financial position as at March 31, 2022 and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the LHIN as at March 31, 2022, and the results of its operations, changes in net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the LHIN in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the LHIN's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the LHIN or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the LHIN's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the LHIN's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the LHIN's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the LHIN to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Erie St. Clair Local Health Integration Network
O/A Home and Community Care Support Services Erie St. Clair
Notes to the financial statements
March 31, 2022

1. Description of business

The Erie St. Clair Local Health Integration Network was incorporated by letters patent on June 2, 2005 as a corporation without share capital. Following Royal Assent on March 28, 2006 to the Local Health System Integration Act, 2006, S.O. 2006, c. 4 - Bill 36, it was continued as the Erie St. Clair Local Health Integration Network ("LHIN") and the letters patent issued to constitute the corporation continued by this Act were extinguished.

Effective June 21, 2017, the Minister of Health and Long-Term Care issued a transfer order under section 34.2 of the Local Health System Integration Act, 2006 ("LHSIA") and ordered all assets, liabilities, rights and obligations, and all records relating thereto, and all employees of the Erie St. Clair Community Care Access Centre and related records, rights and obligations to be transferred from the Erie St. Clair Community Care Access Centre to the Erie St. Clair LHIN.

On March 7, 2019, the Orders in Council appointing individuals to the Board of Directors of the Erie St. Clair LHIN were revoked, and members of the Board of Directors of Ontario Health ("OH") were cross-appointed to the Erie St. Clair LHIN. The OH Board continued in this capacity until July 1, 2021 when individuals newly appointed to the Erie St. Clair LHIN Board of Directors took effect.

On March 17, 2021, the Ontario Minister of Health issued a transfer order under subsection 40(1) of the Connecting Care Act, 2019, in which the Minister ordered specific assets, liabilities, rights and obligations to be transferred from Erie St. Clair LHIN to Ontario Health. The items transferred were primarily associated with health system planning, funding, and integration of the local health system in its geographic area. In addition, certain staff positions of the Erie St. Clair LHIN were transferred to Ontario Health.

On July 8, 2020, the Connecting People to Home and Community Care Act, 2020 received Royal Assent. This Act made legislative amendments to the Connecting Care Act, 2019 relating to home and community care and, on May 1, 2022, O. Reg. 187/22 Home and Community Care Services under the Connecting Care Act, 2019 was proclaimed into force. On the same day, the Home Care and Community Services Act, 1994 and regulations thereunder were repealed and are no longer in force. Most provisions of O. Reg. 187/22 have come into force, and some provisions are anticipated to come into force on September 1, 2022.

The Erie St. Clair LHIN is a Crown agent and may exercise its powers only as an agent of the Crown. Limits on the Erie St. Clair LHIN's ability to undertake certain activities are set out in LHSIA. As an agent of the Crown, the Erie St. Clair LHIN is not subject to income taxation.

Erie St. Clair LHIN now operates under the business name Home and Community Care Support Services Erie St. Clair and is responsible for the provision of home and community care services within its geographic area.

The mandate of the Erie St. Clair LHIN includes the following:

Provision of community services

These services include the provision of health and related services, medical supplies and equipment for the care of persons in home and community settings, and goods and services to assist caregivers in the provision of care for such persons. As well, its mandate includes managing the placement of persons into long-term care homes, supportive housing programs, chronic care and rehabilitation beds in hospitals, and providing information to the public about, and making referrals to, health and social services.

The Erie St. Clair LHIN has entered into an Accountability Agreement with the Ministry of Health ("MOH"), as required under section 18 of LHSIA, and a Memorandum of Understanding, which provides the framework for Erie St. Clair LHIN's accountabilities and activities.

2. Significant accounting policies

The financial statements of the LHIN are the representations of management, prepared in accordance with Canadian public sector accounting standards for government not-for-profit organizations including the 4200 series standards, as issued by the Public Sector Accounting Board. Significant accounting policies adopted by the LHIN are as follows:

Revenue recognition

The LHIN follows the deferral method of accounting for contributions. Contributions from the MOH represent externally restricted contributions which must be spent within the fiscal year provided. Unspent contributions from the MOH are set up as repayable to the MOH at the end of the year. Unrestricted contributions are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Ministry of Health Funding

The LHIN is funded by the Province of Ontario in accordance with the Ministry-LHIN Accountability Agreement ("MLAA"), which describes budgetary arrangements established by the MOH. The Financial Statements reflect funding arrangements approved by the MOH. The LHIN cannot authorize payments in excess of the budgetary allocation set by the MOH. Due to the nature of the Accountability Agreement, the LHIN is economically dependent on the MOH.

LHIN Financial Statements include LHIN operating funds included in the Ministry-LHIN Accountability Agreement.

Capital assets

Purchased capital assets are recorded at cost. Repairs and maintenance costs are charged to expense. Betterments, which extend the estimated life of an asset, are capitalized.

Capital assets are amortized on a straight-line basis based on their estimated useful life as follows:

Furniture and equipment	5, 10 and 20 years
Computer and communications equipment	3 and 5 years
Leasehold improvements	5 and 10 years

For assets acquired or brought into use, during the year, amortization is provided for a full year.

Deferred capital contributions

Contributions received for the purchase of capital assets are deferred and are amortized to income at the same rate as the corresponding capital asset.

2. Significant accounting policies (continued)

Financial instruments

Financial assets and liabilities are measured at amortized cost, with the exception of cash that is measured at fair value. Financial instruments measured at amortized cost are initially recognized at cost, and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets. Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write-down being recognized in the Statement of Operations.

Employee future benefits

The LHIN accrues its obligations relating to the defined benefit pension plan administered by the LHIN, other post-employment benefits and sick leave as the employees render services necessary to earn benefits. The LHIN has adopted the following policies:

- (i) The cost of benefits earned by employees is actuarially determined using the projected benefit method prorated on service and management's best estimate of expected plan investment performance, salary escalation, mortality and termination rates, and retirement ages of employees;
- (ii) For the purpose of calculating expected return on plan assets related to the defined benefit pension plan, these assets are valued at fair value;
- (iii) The excess of the net actuarial gain /loss is amortized over the average remaining service period of the employees;
- (iv) Differences arising from changes in assumptions and experience gains and losses are amortized on a straight line basis over the average remaining service period of the employees;
- (v) Past service costs arising from plan amendments are recognized immediately in the period the plan amendments occur.

A majority of the employees of the LHIN are eligible to be members of the Health Care of Ontario Pension Plan ("HOOPP"), which is a multi-employer, defined benefit, final average earnings and contributory pension plan. Defined contribution plan accounting is applied to HOOPP as LHIN has insufficient information to apply defined benefit accounting.

Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant estimates include depreciation rates for capital assets and certain accruals. Actual results could differ from those estimates.

Erie St. Clair Local Health Integration Network
O/A Home and Community Care Support Services Erie St. Clair
Notes to the financial statements
 March 31, 2022

3. Restructuring

On March 17, 2021 in accordance with subsection 40 (1) of the *Connecting Care Act, 2019* the Ontario Minister of Health issued a transfer order to the LHIN which transferred certain assets, liabilities, rights and obligations of the LHIN, primarily those associated with planning, funding and integration of the local health system in its geographic area, to Ontario Health. In addition, certain staff positions of the LHIN were also transferred to Ontario Health.

The LHIN has reported and disclosed the impact of the restructuring in accordance with Public Sector Accounting Standards section 3430 Restructuring Transactions. The revenue and expenses of the prior year relating to the restructured activities have been separately disclosed in the Statement of Operations and Changes in Net Assets. The net effect of the restructuring was \$nil. The liabilities transferred to Ontario Health relate primarily to employee salaries and benefits for the staff positions transferred and were immaterial.

4. Capital assets

	Cost	Accumulated amortization	2022 Net book value	2021 Net book value
	\$	\$	\$	\$
Leasehold improvements	2,438,772	2,221,062	217,710	360,797
Furniture and equipment	1,097,314	937,958	159,356	187,610
Computer equipment	1,394,810	1,337,732	57,078	90,040
	4,930,896	4,496,752	434,144	638,447

5. Due to MOH

In accordance with the MLAA, the LHIN is required to be in a balanced position at year end. Any funding received in excess of expenses incurred, is required to be returned to the MOH. All interest income earned by the LHIN is payable to the MOH.

The amount due to the MOH at March 31 is made up as follows:

	2022	2021
	\$	\$
Due to MOH, beginning of year	7,667,598	7,678,489
Funding repaid to MOH	(3,598,346)	(3,361,379)
Funding repayable to the MOH related to current year activities	2,490,784	3,438,246
Write-off of prior year repayable not recovered	—	(87,758)
Due to MOH, end of year	6,560,036	7,667,598

Erie St. Clair Local Health Integration Network
O/A Home and Community Care Support Services Erie St. Clair
Notes to the financial statements
 March 31, 2022

6. Employee future benefits

The net employee future benefits liability consists of:

	2022	2021
	\$	\$
(a) Pension plan – accrued future benefit asset	–	(38,000)
(b) Other benefits – accrued future benefit liability	2,602,900	2,456,200
(c) Accumulated sick leave liability	84,900	125,600
Net employee future benefits	2,687,800	2,543,800

(a) *Pension plans*

The LHIN has a defined benefit pension plan administered by the LHIN and managed by The Manufacturers Life Insurance Company, which provides pension benefits based on years of service prior to January 1, 1999 for some unionized employees and prior to January 1, 2002 for some non-unionized employees. Subsequent to the above mentioned dates, some of the respective employees became members of Healthcare of Ontario Pension Plan (“HOOPP”), a multi-employer final average pay contributory pension plan.

The LHIN uses actuarial reports prepared by independent actuaries for funding and accounting purposes. The most recent actuarial valuation of the pension plans for funding purposes was as of November 30, 2020. The measurement date is March 31, 2022.

The following significant actuarial assumptions were employed to determine the periodic pension expense and the accrued benefit obligations:

	2022	2021
	%	%
Assumptions		
Accrued benefit obligation as of March 31		
Discount rate	3.89	3.21
Rate of compensation increase	1.50	1.50
Benefit costs for period ended March 31		
Expected long-term rate of return on plan assets	5.00	5.00
Rate of compensation increase	1.50	1.50

Information about the LHINs defined benefit pension plan is as follows:

	2022	2021
	\$	\$
Accrued benefit obligation		
Accrued benefit obligation, beginning of year	463,900	487,200
Interest cost	13,400	15,300
Benefits paid	(91,000)	(44,800)
Actuarial (gain) loss	(48,300)	6,200
	338,000	463,900

6. Employee future benefits (continued)

(a) Pension plans (continued)

	2022	2021
	\$	\$
Plan assets		
Fair value of plan assets, beginning of year	599,500	530,500
Actual return on plan assets	27,700	24,900
Contributions	—	12,200
Benefit payments	(91,000)	(44,800)
Actuarial gain (loss)	(300)	92,900
Adjustment to assets	—	(16,200)
	535,900	599,500

Funded status

	2022	2021
	\$	\$
Funded status		
Unamortized net actuarial (gain) loss	(174,700)	(97,600)
Funded status surplus	174,700	135,600
	—	38,000

Other Pension Plan

The LHIN contributes to the Healthcare of Ontario Pension Plan ("HOOPP"), which is a multi-employer plan, on behalf of approximately 510 members of its staff. The plan is a defined benefit plan, which specifies the amount of retirement benefit to be received by the employees, based on the length of service and rates of pay. The amount contributed to HOOPP for fiscal 2022 was \$3,585,994 (\$3,676,892 in 2021) for current service costs and is included as an expense in the 2021 Statement of operations. The last actuarial valuation was completed for the plan as of December 31, 2021. At that time, the plan was 120% funded.

(b) Other benefits

The LHIN provides for the continuation of medical benefits to most employees upon retirement. Information about the plan is as follows:

Accrued benefit liability is determined as follows:

	2022	2021
	\$	\$
Accrued benefit obligation	1,736,500	1,944,900
Unamortized actuarial gain	866,400	511,300
	2,602,900	2,456,200

Erie St. Clair Local Health Integration Network

6. Employee future benefits (continued)

(b) Other benefits (continued)

Continuity of benefit liability is as follows:

	2022	2021
	\$	\$
Balance, beginning of year		
Current service cost	2,456,200	2,247,500
Interest cost	165,200	189,200
Benefits paid	67,200	74,200
Amortization of net actuarial (gains) loss	(31,300)	(36,800)
Balance, end of year	(54,400)	(17,900)
	2,602,900	2,456,200

The following significant actuarial assumptions were employed to determine the periodic benefit expense and the accrued benefit obligation:

	2022	2021
	%	%
Assumptions		
Accrued benefit obligation as of March 31		
Discount rate	3.89%	3.21%
Health care trend rate	6% trending down by 1% to 5%	6% trending down by 1% to 5%

(c) Sick leave benefits

Under the sick leave benefit plan, unused sick leave for most employees can accumulate. Information about the plan is as follows:

Compensated absence liability is determined as follows:

	2022	2021
	\$	\$
Accrued benefit obligation	2,222,800	2,283,800
Unamortized actuarial losses	(2,137,900)	(2,158,200)
	84,900	125,600

Continuity of benefit liability is as follows:

	2022	2021
	\$	\$
Balance, beginning of year	125,600	88,700
Interest cost	69,200	68,500
Benefits paid	(257,700)	(175,200)
Amortization of net actuarial gains	147,800	143,600
Balance, end of year	84,900	125,600

6. Employee future benefits (continued)

(c) Sick leave benefits (continued)

The following significant actuarial assumptions were employed to determine the periodic benefit expense and the accrued benefit obligation:

	2022	2021
	%	%
Assumptions		
Accrued benefit obligation as of March 31		
Discount rate	3.89	3.21
Rate of compensation increase	1.50	1.50

7. Deferred capital contributions

Deferred capital contributions represent the unamortized amount of contributions received for the purchase of capital assets. The changes in the deferred capital contributions balance are as follows:

	2022	2021
	\$	\$
Balance, beginning of year	638,447	950,266
Capital contributions received during the year	65,681	3,667
Amortization for the year	(269,984)	(315,486)
Balance, end of year	434,144	638,447

8. Commitments

The LHIN has commitments under various operating leases extending to 2025 as follows:

	\$
2023	1,693,781
2024	502,768
2025	118,382
	<u>2,314,931</u>

9. Contingencies

The LHIN has been named as a defendant in various claims. Management believes any liability resulting from these actions would be adequately covered by existing liability insurance.

Accounts payable and accrued liabilities	(2,571,359)	3,191,605
Due to MOH	(1,107,562)	(10,891)
Deferred revenue	(37,612)	34,425
Employee future benefits	144,000	379,900
Total change in non-cash working capital items	(8,838,501)	3,199,270

11. Financial risk

The LHIN through its exposure to financial assets and liabilities, has exposure to credit risk and liquidity risk as follows:

- (i) Credit risk relates to the potential that one party to a financial instrument will fail to discharge an obligation and incur a financial loss. The maximum exposure to credit risk is the carrying value reported in the statement of financial position. Credit risk is mitigated through collection practices and the diverse nature of amounts with accounts receivable.
- (ii) Liquidity risk is the risk that the LHIN will not be able to meet all cash flow obligations as they come due. The LHIN mitigates this risk by monitoring cash activities and expected outflows through extensive budgeting and cash flow analysis.

12. Guarantees

The LHIN is subject to the provisions of the Financial Administration Act. As a result, in the normal course of business, the LHIN may not enter into agreements that include indemnities in favor of third parties, except in accordance with the Financial Administration Act and the related Indemnification Directive.

An indemnity of the Chief Executive Officer was provided directly by the LHIN pursuant to the terms of the Local Health System Integration Act, 2006 and in accordance with s.28 of the Financial Administration Act.

13. Comparative figures

Certain of prior year comparative figures have been reclassified to conform to the current year's presentation.
